

## For Immediate Release

October 2009

Five local authors will come together to read aloud from their new collaborative volume: *Celebrating Divine Presence: Journeys into God* (London: Companion Books, 2008). We will be joined by three special guests: Norm Shrewsbury a local Tibetan Buddhist, and Rev. Konrad Kaserer, a Minister of the local Unity church in Flagstaff, and Mahamane Dahamane a local Muslim leader.

In the current socio-political and multi-cultural global economy, there can be no doubt that building bridges of compassion and understanding between faiths is the great need our time. As the winds of change sweep this land clean of prejudice and usher in a time of unprecedented hope, many will benefit from listening to these wisdom keepers share from the depth of their personal spiritual experience:
