10:30 am to 4:00 pm: *Forgiveness Seminar*

We are pleased to announce that Laurent Weichberger, who collaborated with Don E. Stevens in compiling and editing a noted book, *The Doorbell of Forgiveness* (London: Companion Books, 2011), is coming to Los Angeles to facilitate a Seminar at Meherabode, exploring the value and dimensions of forgiveness in our lives with Meher Baba.

This Seminar will be free of charge.

Laurent will share his own personal forgiveness journey, and will read selections from the book containing what Don describes as "Forgiveness intuitions." Laurent will then invite group participants to explore certain key topics.
